Carlos E. Tingle Completed Congressional Operations Certificate from TheCapitol.Net

ALEXANDRIA, VA – August 30, 2011 – Carlos E. Tingle completed his certificate in Congressional Operations from TheCapitol.Net. The Certificate in Congressional Operations is awarded to participants in the program who have completed more than 75 hours of congressional related training.

Carlos E. Tingle is a Constituent Services Representative at the Rayburn House Office Building for the U.S. Office of Personnel Management (OPM), Congressional and Legislative Affairs Office.

"TheCapitol.Net has been a window of opportunity and knowledge for someone who did not fully understand many aspects of congressional operations. I have gained much from the courses and dynamic speakers," said Mr. Tingle. "I enjoyed this experience and look forward to taking other courses in the future related to the congressional experience. I have and will continue to recommend others to TheCapitol.Net for an experience that can make a difference."

Carlos Tingle is responsible for providing technical assistance to Members of Congress, their constituents and staff on a variety of OPM programs and policies. Mr. Tingle has over 10 years of experience in the congressional field. Prior to joining OPM, he worked for the Department of Defense as a congressional writer for the U.S. Marine Corps, and as a program manager for the U.S. Navy. Carlos E. Tingle also served in the U.S. Army and received his bachelor's degree in business management.

TheCapitol.Net's Congressional Operations certificate gives professionals the background they need to effectively participate in the legislative arena. The courses help participants understand the legislative process, prepare congressional testimony, draft

federal legislation, research legislative histories, monitor legislation, communicate with Congress, and work with federal regulatory agencies.
