## **Lisa Hall Completed Congressional Operations Certificate from TheCapitol.Net**

**ALEXANDRIA, VA** – (October 2, 2013) – Lisa Hall completed her certificate in Congressional Operations from TheCapitol.Net. The Certificate in Congressional Operations is awarded to participants in the program who have completed more than 75 hours of congressional related training.

Lisa Hall is currently working with the Army's Chief Legislative Liaison in the Investigations and Legislative Division at the Pentagon. She has 27 years of civil service with the Department of the Army, 18 years in military personnel and 9 years as a congressional liaison.

“The Congressional Operations courses have been very helpful to me in that they provided me additional knowledge I can take with me to a higher level” she said.

TheCapitol.Net's Congressional Operations certificate gives professionals the background they need to effectively participate in the legislative arena. The courses help participants understand the legislative process, prepare congressional testimony, draft federal legislation, research legislative histories, monitor legislation, communicate with Congress, and work with federal regulatory agencies.
